## Suggestions if any

No

I feel to have better infrastructure. Plans should include establishing a new lab with a capacity of 50-60 computers and a digital smart room for seminars and workshops accommodating up to 200 individuals.

Need separate cabin for faculty members

College has provided the best salary ..but it is kind request to government to provide us the job security and good salary package and other benefits like PF ..

Working in the institute like this college is a pride.

Good satisfied this question

Qualified CHB must get regular approval from UGC and university.

Qualified CHB must get approval from UGC and University.

In My Opinion Classes Administration will be Strict. So many Faculty Members including CHB Teachers should not be present in Proper Time in Classroom and College Premises. Many Faculty Members including CHB Teachers are coming Late and going to Late in Classes. (They are going in Classes near about 7.50am) Many CHB Teachers taking leave without giving leave application or inform on time say at 7.15am. There is no Control on CHB Teachers. Principal Authority take note of it.

Enhance Drinking water availability

Nowaday We have washroom problems.. The teacher sitting table/desk and chair/ bench are not clean by any peon. Plz do it, if possible.

Nothing
