Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	<p>In March 2020, restrictions were imposed due to covid – 19 and students & teachers were asked to stay at home. The situation which was not faced earlier by any one has to faced it. Education and teaching learning process was ceased. It's the human being who always overcome the challenges come before him. At our institute , we have decided to take help of technology to overcome problem of teaching – learning. It was beyond imagination to move to online teaching from traditional chalk board teaching. There were many internet based platforms were available like Zoom , Google Meet , Microsoft Teams , WEBEX & so on. But we wanted to use them not only for meeting but for teaching purpose. We were in search of such software where maximum need of teaching – learning get resolved. We at our institute choose Microsoft Teams app for teaching purpose. We enrolled all our students on this platform after registering college on their domain. Every teachers & students were given unique user id / password. Teams were created and particular students were assigned in Team and owner of team was teacher. Every teacher scheduled their classes as per time table issued by authorities. In the month of September actual teaching started. Teachers created power point presentation on the topics related to curriculum. Notes were given to students through Teams, Google Classroom, Assignment, quiz , unit test were conducted. Google forms were used to conduct Examination. Virtual labs were used by teachers to demonstrate certain practicals. YouTube video links were shared. To make teaching interactive, students were given task, online polls, by some teachers. It was observed that course was completed as per revised academic calendar. Google classroom was also extensively used to give Assignments. Special modules of students Diary was created and this app was downloaded by students. Some common Guest lecturers were also organized. Most important benefit of using Microsoft Teams was we could download attendance sheet of classes conducted. Multiple measures were taken by institute to overcome issues created by covid pandemic.</p>
