Agreement for Sickle Cell Disease Skill Development Program

This agreement ("Agreement") is made and entered into on 25th April 2024, between Sardar Patel Mahavidyalaya Ganjward Chandrapur ("SP College"), represented by Principal SP College, and Adeetechgene Biotech Pvt Ltd Pune ("ADEETECH"), represented by Director, ADEETECH.

Purpose:

The purpose of this agreement is to outline the terms and conditions for the collaboration between Sardar Patel Mahavidyalaya Chandrapur and Adeetechgene Biotech for the implementation of a skill development program and testing initiative for sickle cell disease.

Terms and Conditions:

1. Sardar Patel Mahavidyalaya Chandrapur will organize the skill development program for students on sickle cell disease, with the support and training provided by ADEETECH.
2. Students selected by Sardar Patel Mahavidyalaya Chandrapur will undergo training provided by ADEETECH and will conduct testing in 16 villages for sickle cell disease for Ballarpur Block, District Chandrapur.
3. Each student volunteer will be testing 250 samples for screening tests, including Solubility tests followed by confirmatory tests of positive screening test using Hb electrophoresis. This screening and confirmatory testing by each volunteer should be done within 30 days from the date of confirmation by the volunteer.
4. Adeetechgene Biotech will supply all necessary instruments, reagents, kits, etc., to Sardar Patel Mahavidyalaya Chandrapur free of cost.
5. Sardar Patel Mahavidyalaya Chandrapur will ensure the safe custody and storage of all equipment provided by ADEETECH and make them available for testing purposes in villages through their graduate students as volunteers. After one year based on mutual discussion and agreement, ADEETECH and Sardar Patel Mahavidyalaya Chandrapur will use these instrument for Sickle cell related work for the Chandrapur district as non-profit social work for the district by applying grant for 2nd year to keep running this social work under skill development program.
6. ADEETECH will provide technical support and guidance throughout the duration of the one-year project.
7. Students trained under this program will receive certification from ADEETECH, which can be utilized as internship or training program hours as per UGC guidelines under NEP 2020.
8. Training provided to students will cover various aspects of sickle cell testing, including field-level screening tests, confirmatory tests etc. Also, all or interested volunteers can visit ADEETECH's Genomics lab in Pune and get enhanced training on PCR technology free of cost provided they arrange their travel and stay themselves.
9. All selected volunteers are expected to work diligently to upgrade their skills, contributing to their academic development and addressing the local problem of sickle cell disease in Chandrapur.
10. All equipment provided by Adeetechgene Biotech Pvt. Ltd. will be used exclusively for non-profit social work related to sickle cell anemia for the skill development program at Sardar Patel Mahavidyalaya Chandrapur.
11. Aim of this project is to connect local science college to village social service through their graduate student from the same village which they belong to so that one science student who knows sickle cell can provide free information in villages and can-do testing to marriage counselling as village level model. ADEETECH will provide all the support for this project including technical information and hands on training.
12. ADEETECH will have all rights to shift equipment to nearby science college in Maharashtra state or within the country, if proper use is not found and desired objective is not achieved in this or successive year in this or near future.

Termination: Either party may terminate this Agreement with 180 days' written notice to the other party.

Governing Law: This Agreement shall be governed by and construed in accordance with the laws of Maharashtra state.
